

Mini-Symposium on NIMSB Technology Platforms

Join us for an inspiring afternoon of **cutting-edge research**, **technological innovation**, and **collaborative discussion** at the **Mini-Symposium on NIMSB Technology Platforms!**

This event brings together scientists, professionals, and students to explore the latest advances in technology platforms and their applications across disciplines. It's also a great chance to connect with the **NIMSB community** and expand your network.

 Date: May 26th
