Assay		ITQB-NOVA/iBET Internal Price (€)	RNEM/MOSTMICRO/ iNOVA4HEALTH/IGC/ GREEN-it Price (€)	Academia Price (€)	Independent Use (€/h)
ESQUIRE 3000+					
Small molecules - Direct Infusion	-	15	20	30	20 ¹
Additional fragmentation	-	10	15	20	
Q-Exactive Focus (Quadrupole-Orbitrap)^{2,3}					
Small molecules - Direct Infusion	-	20	30	40	-
Small molecules identification - LCMS ⁴	-	30	40	50	-
TRIPLE TOF 6600 (with SelexION)²					
Peptide/Protein Intact mass	-	60	70	80	-
Proteome identification ⁵ (complex samples)	-	125	150	175	-
Protein identification (gel bands)	-	90	100	110	-
QTOF X500B					
Peptide/Protein Intact mass	-	60	70	80	-
Protein identification ⁵	-	125	150	175	-
QTRAP 6500+^{2,6}					
Direct infusion	-	20	30	40	-
MRM ⁵	-	30	40	50	-
MALDI-TOF/TOF 5800					
Intact mass measurement	-	30	40	50	30 ¹
Protein identification	1 sample	40	45	50	
	>1 sample	20	25	30	
	>50 samples	10	10	10	
CESI 8000plus					
SDS-MW	-	60	80	125	30 ¹
cIEF	-	100	125	150	-
CESI-MS	-	125	150	175	-
Other					
SDS-PAGE	-	35	45	55	-
In-gel protein digestion ⁷	-	20	25	30	-
In-solution protein digestion ⁷	-	1 €/µg of protein			-
Cleaning procedure	-	5	10	15	-

IVA (VAT) tax not included (prices updated on January 2020).

¹ Prices include maintenance and depreciation costs. Do not include consumables or human resources costs.

² For quantification analysis please inquire quotation.

³ To ONEIDA customers the utilization price is 12 eur/h.

⁴ Prices established for small molecules. Include consumables, human resources, maintenance and depreciation costs. Do not include method development costs. Prices may vary depending on sample complexity.

⁵ Prices established for peptides and proteins. Include consumables, human resources, maintenance and depreciation costs. Do not include method development costs. Prices may vary depending on sample complexity; prices applicable for samples already quantified.

⁶ To FOOD & HEALTH customers the utilization price is 12 eur/h. Do not include human resources costs.

⁷ Prices established for trypsin digestion, for other proteases digestion inquire quotation.
